As Florida is a very well visited place in America it is vital that there are lots of restaurants and bars for the visitors to go to of an evening where they can relax and have a good time. Talula: the restaurant opened in July 2003 so is a rather new building. The Talula restaurant offers a wide range of dishes and wines such as muscles, meats, salads, and red and white wines. I really enjoyed eating at the Talula restaurant because the service was quick and the food was great. Astoria Fine Russian & American Cuisine: This quiet restaurant comes to life with pleasant dining and conversation and background music during lunch and dinner. I loved eating in this restaurant it made a nice quiet change to the loudness of other restaurants in Florida. Marie's Italian Kitchen: Marie's Italian Kitchen opened in September 1997. Italian food is known everywhere around the world! Marie's Italian Kitchen was most probably the best Italian I have ever ate, loved it. Esca restaurant and martini bar: Enjoy Italian French fusion in the downstairs dining room. With heated outdoor seating, a full bar and an urban European ambience, Esca is sure to please the most discriminating diner. Our upstairs martini bar is the perfect place to enjoy live music and lovely views in an ambience like no other. Fantastic facilities I really enjoyed eating at this restaurant. Divino restaurant: Divino Restaurant is a charming and cozy fine Italian restaurant offering a range of delicious and innovative meals. Yet again really pleased with the service and the food I couldn't fault it. butterfly cafe: Set in private gardens and running waterways, this palm-shaded balcony was lovely place to relax and eat. Had a really nice time. red fish grill: Hidden away at the edge of the saltwater lagoon in lush and tropical Matheson Hammock Park, Red Fish Grill is a decent seafood restaurant. A wonderful place and a nice change in eating seafood. tony chans water club and bistro: a lovely Chinese restaurant. I really enjoyed eating in Tony Chan's it was a very nice place and the food was brilliant. alta mar: alta mar is located on Miami Beach Florida. A sea front view ensures a lovely view whilst eating. I loved this restaurant had a fantastic time and the service was outstanding. osteria del teatro: Located in an unassuming storefront beneath the ultrasceney crobar nightclub, it's hard to believe that Osteria del Teatro is the best Italian bistro on the beach. I enjoyed the food and enjoyed the kindness of the waiters.
